

Technician Class License Course

The Cuyahoga Falls Amateur Radio Club (cfarc.org) is offering a six session (3 ½ hours per session) TECHNICIAN CLASS license course at the Akron-Summit County Public Library – Main Branch¹ from 1:15 PM to 4:45 PM starting 29 September 2019. There is free parking in the deck next to the library with ADA access for all via a ramp and elevators.

- Are you interested in amateur radio?
- Do you want to communicate with other amateurs through local repeaters?
- Do you want to learn more about components and circuits, radio signals and equipment, digital modes, antennas and propagation?
- Do you want to help in emergencies in your immediate area?
- Would you like to communicate with other amateurs using satellites?

The course will meet on six consecutive Sundays starting 29 September 2019. The lecture will be the first five Sundays and will cover background material and the entire element 2, 423-question pool. On 3 November 2019, a Laurel VEC sanctioned open test session will be administered. If you are successful in answering 26 or more of the 35 questions on the Element 2 examination you are granted privileges as soon as your call appears in the FCC database.

The cost of the course is \$30 which includes the W5YI Technician Class License Manual, refreshments and the free examination. Any and all of the course fee may be waived for financial reasons. **Pre-registration is required** so that we may obtain the proper quantity of manuals and other course materials.
